## Immigration Requirements & Travel Hints

You may have time and opportunity to explore other Russian cities and sites, so please keep in mind the following:

1.	According to Federal Law you must fill in the <b>migration Form</b> upon arrival
2.	Please choose "STUDY" or "EDUCATION" as the "PURPOSE OF VISIT"
3.	<b>PLEASE DO NOT THROW AWAY OR LOSE</b> your immigration form – within 2 days after arrival <b>you should pass them to the Migration Department</b> of FinU and show your valid passport there. This will serve as your temporarily registration in Moscow.

6.	To secure your legal immigration status we recommend having your Immigration Card with you all the time.

The useful hint here is **to provide your FinU International Team Coordinator with scanned copy of your visa** – this can be helpful in case of any emergency, like – oops, having your passport lost, or forgotten in your room while you may need to present it somewhere (ticket offices, hotels, intercity railway stations, airports, etc.)
