# Entrepreneurship and Innovation

**Curtin University Summer and Winter University Program**

**July - August, 2023**

Curtin's two-week Global Summer and Winter University Programs will provide you with an unforgettable experience – giving you the opportunity to step into another culture and to take your skills and resume to the next level.

The Entrepreneurship and Innovation Program in Perth, Australia, will give you the opportunity to learn how to develop entrepreneurial ideas and solutions for a green and sustainable future.

# Entrepreneurship and Innovation

## This program is led by

### Mr John Tu

Instructor, Lecturer and Entrepreneur  
Curtin University

**Location** Perth, Western Australia

**Dates** 24 July – 4 August

**Credits** The program is the equivalence of 25 credits into select Curtin University undergraduate programs\* or 6 ECTS. \* After completing your program you will receive a certificate of completion and a letter of credit received. Contact your home institution to arrange credit equivalence at your home institution.

**Eligibility** Open to professionals and undergraduate and postgraduate students worldwide. As all programs are delivered in English, you need English language competency to complete the program.

**Registrations** Individuals can apply online at [curtin.edu/summer-uni-programs](http://curtin.edu/summer-uni-programs). For group bookings email [globaldevelopment@curtin.edu.au](mailto:globaldevelopment@curtin.edu.au) to schedule a group booking for dates that suit you.

**Application** The placements are limited to 35 participants per program.

## Perth, Western Australia

Complete our Entrepreneurship and Innovation Program at Curtin University's largest campus, in Australia. Known for its innovative learning spaces and high-impact research programs, Curtin Perth offers courses in a wide range of disciplines within science, engineering, health sciences, humanities, business and law.

The campus is set on 116 hectares in the suburb of Bentley, close to the Canning River and just six kilometres from Western Australia's capital city, Perth.

Known for its architecture, landscaped gardens and engagement spaces, Curtin Perth also offers students an excellent range of social and recreational amenities.

## **Program Overview**

### **Learn how to develop entrepreneurial ideas and solutions for a green and sustainable future.**

This program is designed for individuals and organisations who are eager to develop entrepreneurial ideas and solutions for a greener, more sustainable future of our planet. It is an intensive entrepreneurship learning and practising program in which you will develop your knowledge and skills of entrepreneurial innovation, extend your global networks through a unique on-campus experience and meeting industry guest speakers, and be inspired to bring your ideas for a sustainable business development to fruition.

This program is delivered by experienced lecturers from Curtin Perth, 'green entrepreneurs' and venture capitalists specialising in green investment and successful innovation.

### **Topics week one**

- The entrepreneurial mindset
- Sustainable innovation as a business opportunity
- Design thinking for ventures
- Sustainable business model design
- Building entrepreneurial confidence

### **Topics week two**

- Financing entrepreneurial ventures
- Legal and regulatory challenges
- Strategic entrepreneurial growth
- Succession planning, valuing and harvesting ventures
